Got a small job you can't get done?

- Clearing some rubbish? •
- Garden tidying? •
- A DIY job? •

Saturday 14 June

Maybe we could help? We are a group of Christians from Holy Trinity Church, looking to help people living locally. There is no charge and we do not want any donations.

We will have a team of people available on Saturday 14th June happy to help with any jobs that can be done in an hour or two. Interested?

Please return the slip below to Holy Trinity Church office, 110a Trinity Street by Saturday 8th June if possible.

Please note that we can only carry out straightforward jobs that don't require professional expertise and we can't promise to meet every request. If you are unsure, please contact us anyway and we will see if we can help. Please enquire at the church on the day if you would like to make use of a skip we are hiring, even if you do not want us to help. Contact Andrew in the Church Office on 622225 or just pop in.
